Dear FCC:

I am writing to complain about the proposed changes to the Universal Service Fund and requesting that the FCC investigate this matter further before changing the current policy. Your proposed \$1.00 per month charge for all wireless phones will directly impact my ability to retain my wireless service.

I do not think it is fair to charge EVERYBODY \$1.00 dollar regardless of how they use their wireless phone, especially for a low-volume user that relies on wireless service for safety and security, not interstate calls. The current policy is fair, based on interstate usage, and should be left alone. Please do not penalize us. Keep this fair.

SINCE WE ONLY USE THIS SERVICE AS AN EMERGENCY PHONE IN CASE OF A CAR BREAKDOWN OR ACCIDENT, I THINK IT WOULD BE UNFAIR TO CHARGE AN EXTRA \$1.00 A MONTH ON A PHONE SERVICE WE MIGHT NEVER USE.

SINCE WE ARE ALREADY PAYING A PRETTY HIGH PRICE FOR SECURITY, I THINK THIS IS GOING OVERBOARD.

I JUST WISH I COULD RAISE MY SOCIAL SECURITY EVERY TIME I NEEDED MORE MONEY.

Thank you for your prompt attention to this matter. Please provide a written response indicating the status/resolution of this matter.

Very truly yours,
